

## Novice Quartet Night and Officers Installation

On Tuesday night, January 19, 2010, the North Pennsmen held their annual Novice Quartet Night and Officer Installation. We had a 16 quartets perform, many of them featuring some of our new members. The quartets were introduced by our Master of Ceremony **Jerry Heebner**. Our judging panel consisted of the members of the **Liberty Belles** of the Harmony Inc. Society of female singers

After the quartet performances, District Vice President **Neil Keihn** installed our 2010 officers and board members. We wish our new officers and board members the best of luck in leading the chapter into a great 2010 and we thank our 2009 officers and board members for their time and efforts during the past year.

Following the officer installation our 2008 Barbershopper of the Year **Don Pierce** presented the 2009 Barbershopper of the Year honors to **Jerry Heebner**. Jerry has contribute to the chorus in so many ways including writer for the Spring Shows and writing articles for the our newsletter just to name a few . Jerry is much deserving of this award and we are all very glad he got it. Wear it proudly my friend.

The winning quartet was Sixty Six the youngest quartet ever to win this contest. Yes, their combine age total was the inspiration for their name.

Thanks go out to the wonderful Pennettes for all their help, the beverages and tasty snacks. Thanks all of our quartet participants for competing in the event. I was glad to see some of our newer members participating in the quartet contest. For those of you who didn't participate this year, I hope you will next year. Need practice? Try grabbing three other guys during the break and sing a tag or a chorus song.

Remember – **quartet singing is what we're all about.**

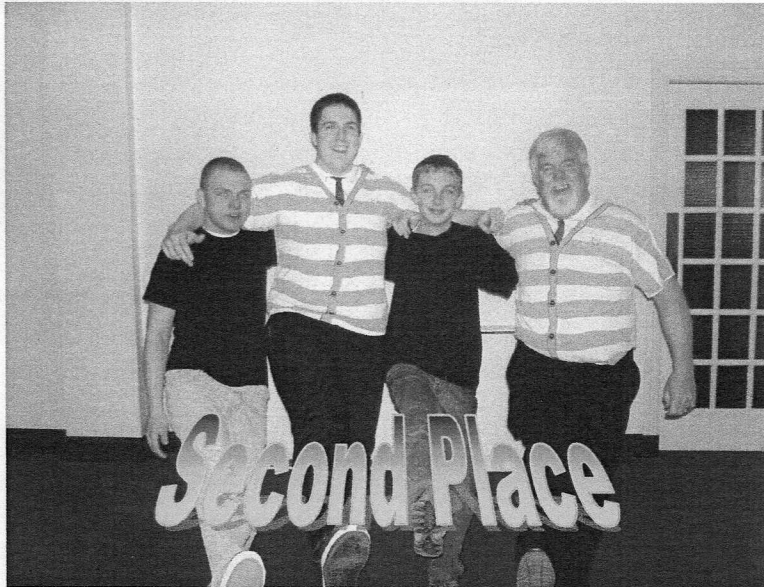

**Way To Go!**
